

## JOHNSON COUNTY 4H HORSE COMMITTEE 2023

The Johnson County 4H Horse Committee (JCHC) is part of the non-profit 4H youth organization. The objectives of the JCHC include providing learning situations for the development of horsemanship skills and knowledge, leadership, citizenship, personal growth, service and achievement. The JCHC holds seven open (open to the public) horse shows per year to raise funds to help youth participate in local, state and national contests as well as educational programs.

The JCHC is seeking financial assistance from our community to help defray horse show expenses, thus increasing monetary support for our youth as they represent Johnson County in their travels as they learn, participate and compete locally and nationally. Below are some sponsorship opportunities we offer. Please give thoughtful consideration to sponsoring the 4H youth of Johnson County as they grow into responsibly adults.
